

Statcorp Medical produces the world's finest quality neonatal blood pressure cuffs. This quality means better care for babies, as well as greater effectiveness for practitioners and real value for hospitals.

Better quality for better care

Three styles are available:

SoftCheck - the softest fabric available

SoftCheck Vinyl - softer still, created with babies' skin integrity in mind

SoftCheck Free® - the only non-PVC neonatal blood pressure cuff on the market and the softest yet

Features

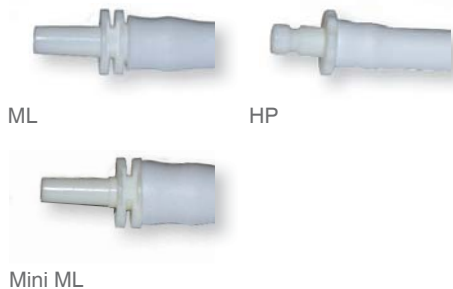

- Meets AHA/ AAMI Standards
- Color coded for accurate sizing
- Five sizes for accurate measurements
- Genuine low-profile Velcro® closures
- Manufactured without natural latex or DEHP
- SoftCheck Free is manufactured without PVC

SoftCheck® Neonatals
